

# ROHO<sup>®</sup> Seat Cushions

The ROHO Group is Shape Fitting Technology. Our technology is unique in its ability to conform to the body's shape. Like fluid, it continuously adjusts with every movement. A person can immerse into the soft cells, and feel almost completely buoyant.

Gels can't do it. Foam can't do it. Even alternative air products cannot do what ROHO technology can do. No other product can more evenly distribute the forces of body weight or reduce the effects of friction or shear upon tissue. ROHO is the optimal choice for preventing or treating pressure sores (ischemic ulcers) and post-operative wounds.

*"I've tried all others, none compare to ROHO. Thousands of dollars spent in cushions, and ROHO blows the others away! I ride hard, ROHO rides with me."*
